

Ceiling Loudspeaker

TSG-RCP6

6W Ceiling Loudspeaker

Aesthetic design | Suitable for speech and music reproduction | Fully ABS with metal grille

TSG introduces high quality ceiling speaker model TSG-RCP6 with stylish metal grille and rimless frame. It is designed for applications which require the minimum size at the maximum sound quality. Their parameters have been carefully selected to match the operating requirements in the rooms exposed to after sound and high humidity. The Speaker is an economical ceiling loudspeaker for general purpose applications. It is a full range loudspeaker for speech and music reproduction in shops, department stores, schools, offices, stadiums, hotels, and restaurants.
