

Outdoor Column Array Speaker

TSG-CLSK60H

60W Outdoor Column Array Speaker

IP66 rated enclosure for outdoor use | Aluminum alloy enclosure | Excellent frequency response

The TSG-CLSK60H is a heavy-duty outdoor column speaker with excellent frequency response. These speakers deliver very high speech intelligibility as well as produce high quality music. These speakers are ideally suited for platform areas, basement car parks, high ceiling areas and small halls. The cabinets include a built-in transformer that offers a selection of nominal full power & half power.
