

Wall Mount Speaker

TSG-AWM15

15W ABS Wall Mount Speaker

6" Full range speaker | 15 W transformer with multiple branches ensuring accurate selection of output power | Suitable for humid condition

TSG introduces high quality ABS wall mounting box speaker model TSG-AWM15 with stylish design. It is 15W, cost-efficient speaker, provides high sound output. In spite of its ABS casing the loudspeaker mingles well with any interior and is virtually invisible thanks to its small dimensions and neat white finish. 100V line operation with power taps 15W, 7.5W and 3.75Ws. It is a full range speaker for speech and music in various indoor and outdoor applications such as department stores, schools, offices, stadium, metro station, BPOs etc.
