

Wall Mount Speaker

TSG-BD12

12W Bi-Directional Wall Mount Wooden Speaker

Bi-directional configuration for larger coverage | Wooden cabinet for better audio reproduction | Broad opening angle

The TSG-BD12 loudspeakers have been designed and manufactured to provide wider coverage. Thanks to the use of advanced technologies, they combine excellent acoustic parameters and high aesthetics with resistance to mechanical damage and varying weather conditions as well as low prices. It is a full range speaker for speech and music in various indoor and outdoor applications such as department stores, schools, offices, stadium, metro station, BPOs etc.
